

October 20, 2016

Dear Stallion Owner's and Managers:

It is once again time for the annual UQHA Racing Beehive Stallion Service Auction. Our auction is one of the earliest ones being held on January 14, 2017. We do need the contracts back as soon as possible so we can make the December issues of the racing magazines.

We would like to start out by saying many thanks to all of you that have supported our auction over the years. We don't have pari-mutuel in Utah so we depend on the continued support of our Beehive Stallion Auction and in that way we have continued to have very good participation in the Beehive Futurity. Our 2016 Beehive Futurity trials, juvenile and finals ran for \$77,775.

It is looking like our 2017 Beehive Futurity will be \$35,000 added and that is all because the stallion owners/managers have donated their great stallions to our auction in the past. Please help us to continue the growth of the UQHA Racing Beehive Futurity, by donating your stallion(s) to the 2017 Beehive Stallion Auction so the 2018 foals of your stallion(s) will be eligible to enter the 2020 Beehive Futurity. Our last two auction's have generated \$50,000 added for each of the 2018 & 2019 Beehive Futurities. We could easily be approaching a \$100,000 purse.

I have included with this letter the 2017 Beehive Stallion Auction contract. If you have any questions regarding this year's auction, please feel free to contact me.

Sincerely

Jeannie Hullinger
