

Approved ICSI Laboratories (2026 Breeding Season)

- Zerlotti Genetics Ltd.
- In Foal Inc.
- Viagen Equine
- Reliance In Vitro
- Genetech
- Rood & Riddle

Important Notice:

- No fresh/cooled or frozen semen shipments will be available in 2026.
- No exceptions will be made.

Mare owners wishing to utilize fresh/cooled semen must bring their mares **directly to Zerlotti Genetics** for **on-site breeding**.

A limited number of **on-farm breedings** will also be available.
