

# Kindergarten Futurity Trials

## Consensus Selections Races #3-10

Six Quarter Horse handicappers are giving you their top three selections for each of Sunday's Kindergarten Futurity Trials. The handicappers are Ed Burgart, Chris Wade, Orlando, "Professor G" Gutierrez, Equibase's Curtis "The Hitman" Treece, Jose "Los Ponies" Contreras, and guest handicapper George Duarte, a multiple National Handicapping Championship finalist.

Each handicapper's top pick will receive a score of five points, their second choice will receive three points and their third choice will receive one point. All points will be added and the horses with the highest scores will be listed in the consensus section.
