AQHA Racing Ace Analysis For The Challenge Championship Races

Race 6 - Red Cell Distance Challenge Analysis by Racing Ace Martha Claussen 1-3-2-6

#1 **Wahoo** is the pride and joy of the Buchanan family and owner/breeder Bobby Cox. With three wins in tough stakes company already in 2014, he has emerged as one of the top distance specialists in the country. 2013 Red Cell champion #3 **Honoroso** will defend his title for trainer Mark Hanson and also drew a favorable inside post for this 870-yard championship. Two stakes winners from Sam Houston Race Park, #2 **Fire on the Fly** and #6 **Dashers Midnight**, are both capable of taking the Red Cell with clean trips. Dashers Midnight ran second to Honoroso in last year's final.

Race 7- Merial Distaff Challenge Analysis by Racing Ace Jen Perkins 9-10-5-7

#9 **Madresita** is 2-for-2 in the money at Prairie Meadows and is out of multiple graded stakes winner Mongoose Jet Eye, who excelled as a 5-year-old; 4-year-old Madresita may be just starting to hit her stride. #10 **Shez Jess Toxic** competes against the best of the best at Los Al and consistently hits the board in graded stakes. The 2013 company lines for #5 **Whip Curl** are a who's who of the top 2-year-olds in the country; she shipped to Idaho to qualify and beat older horses for the first time.

Race 8 - Adequan Derby Challenge Analysis by Racing Ace Martha Claussen 3-4-2-9

A very contentious field of 3-year-olds will make for a riveting edition of the Adequan Derby! Jerry Windham's homebred #3 **Mr Big** is in pursuit of his fifth consecutive victory and was an impressive winner in the Adequan Retama Park Derby on August 9. Rodrigo Vallejo, one of the most underrated Quarter Horse jockeys in the country, has the mount. #4 **Sign of Corona** stepped up nicely in his Adequan Les Bois Park Derby Challenge victory on July 26 and posted a big speed index in Idaho. #2 **Daytona B** represents Prairie Meadows and outclassed a strong field just last month. #11 **Raising Kain** and #6 **Db Captain King** finished in a dead-heat on May 11 in Houston; it doesn't get any closer than that!

Race 9- John Deere Juvenile Challenge Analysis by Racing Ace Martha Claussen 2-3-7-5

Two-year-olds take the stage in this 350-yard sprint and if #2 **Ajs High** replicates his effort from September 13, he will be hard to beat! The son of sensational first crop sire Apollitical Jess is powerful and fast. Only knock is his high-strung demeanor in the saddling paddock, but trainer Charley Hunt is working hard with his charge. #3 **Jess Curl My Prize** makes her Prairie Meadows debut for leading Challenge trainer Monty Arrossa off a super summer in Idaho. #7 **El Rayito De Luna** brings a 3-race win streak from Ruidoso Downs.

Race 10- Bank of America Championship Challenge Analysis by Racing Ace Jen Perkins 4-6-2-1

There is no reason why 9-year-old #6 **Vodka With Ice** can't defend his title as last year's winner of this event, but he has his work cut out for him. #4 **Jessuzican** may be his strongest threat. The 5-year-old was second by a neck in the All American Gold Cup (G3), narrowly missing a bid in the Champion of Champions; he excels at this distance and only gets better as he gets older. #2 **Joltin Jess** is at the top of his game and wins anywhere he runs; he exits a live race at Ajax to qualify for tonight's feature.

Race 11- Zoetis Starter Allowance Challenge Analysis by Racing Ace Jen Perkins 5-3-2-10

#5 **Melovemetwo** posted a nice campaign at Remington this spring, where she was competitive against fillies and mares that competed on the graded stakes circuit. It's hard to discount the speed figures for #3 **Willie Mosconi**, and he comes off a nice prep win at Prairie Meadows last month. #2 **Shakalo** is a 350 yard specialist, and #10 **Fergilicious** is a monster on the Intermountain circuit.
