MEXICO STATE RACING COMMISSION

EVERY EFFORT IS MADE TO PRESENT A TRUE AND
CORRECT STAKES AND CONDITION BOOK.
HOWEVER, SUNLAND PARK RACETRACK AND CASINO IS
NOT RESPONSIBLE FOR ERRORS IN THIS PUBLICATION.

GENERAL RULES AND REGULATIONS

Prior to entry, the owner of a horse is required to have on deposit with the Horsemen's Bookkeeper sufficient funds to cover the expense of starting that horse. No horse will be allowed to start unless this requirement is met. The owners are also requested to furnish the Horsemen's Bookkeeper with their Social Security number or equivalent.

Any horse which is in a race or on the also-eligible list may not be sold or transferred until that obligation is completed, except with permission of the Board of Stewards.

Trainers are advised that horses which are claimed and are back in on another race day may be required to fulfill that engagement despite the change of ownership. A horse's engagements follow the horse.

No dogs will be permitted in the Stable Area or on the grounds.

Allowing unlicensed personnel in the barn area will result in a fine. Trainers must have no unlicensed help in the barn area at any time.

It shall be the trainer's responsibility to see that the win records are properly attached to each foal certificate. The Racing Secretary may refuse entry to any horse whose win record is missing until such time as proper determination of eligibility is made.

Trainers placing horses in stalls other than those specifically assigned to them will be subject to a fine and removal of excess horses.

Sunland Park Racetrack shall have the right to declare off any advertised stake or feature race which fails to satisfactorily fill. In such cases, all fees paid will be promptly refunded.

The Stewards, Track Veterinarian, Racing Secretary or Director of Racing shall have the right to bar from racing, or exclude from the grounds, any horse which they deem unsafe or incapable of a respectable performance.

The Racing Secretary shall have the right to choose from each day's entries the races which allow him to present the best card to the public.

While the Racing Secretary shall have provided every facility for the checking of eligibility and weights, owners and trainers are reminded that the responsibility in these matters lies strictly with them.

Sunland Park Racetrack will provide colors for all owners who wish to use them. Should any owner wish to use stable colors, they must be registered with the Racing Secretary prior to their use. No colors will be used which do not appear on the official program.

Horsemen are reminded that the final entry payment for trials must be on deposit with the Horsemen's Bookkeeper, or made at time of entry, in order for eligible horse(s) to be included in the draw for the post positions.

For the safety of all, children are not permitted to ride pony horses at any time while in the stable area.

Trainers are responsible for their guests.

The track outriders are on duty every morning and are there for the protection of everyone. Their instructions are to be followed. Foul or abusive language towards the outriders will result in a fine and/or removal of horses from grounds.

No additions or improvements to the stalls or premises shall be made without prior written approval of Sunland Park Racetrack.

Restrooms have been constructed in the barn area. Persons damaging or abusing these facilities will be subject to ejection and/or fine.

RACING SECRETARY'S OFFICE SPECIAL RULES AND REGULATIONS

All foal certificates must be deposited with the Racing Secretary within seven (7) days after arrival. Foal certificates will not be accepted during entry hours, nor will transfers, bills of sale, etc., be done until after the draw.

Non-tattooed foal certificates will not be accepted; trainers are advised to contact the tattooers for dates and times for tattooing.

The purchase, claim or transfer of any horse stabled on the grounds whether by private sale or public auction does not guarantee the new owner a stall for such horse. Sunland Park Racetrack reserves the right to allot stalls.

All horses must be completely qualified in all respects before being entered in any race. Non-compliance will result in horse(s) being denied entry and trainer subject to a fine.

All parking will be in designated areas ONLY during training hours. There will be no driving through the barn area during morning workouts.

WORKOUT AND QUALIFYING RULES

ALL WORKOUTS MUST BE TURNED IN TO THE CLOCKERS

A non-starter must have had within sixty (60) days of entry one (1) approved official schooling race or at least two (2) workouts recorded at a pari mutuel or commission recognized facility and posted with the racing secretary prior to time of entry, one (1) of the two (2) workouts shall be from the starting gate and be gate approved. It shall be the trainer's responsibility to establish validity as to workouts and gate approvals.

STARTERS

Any horse which has started, but not within six (6) months, must have one (1) official workout from the starting gate or must have proof of standing the horse at least one (1) time within a sixty (60) day period.

Any horse which has started, but not within sixty (60) days, must have at least one (1) workout within sixty (60) days prior to time of entry. Horses that have not started within (6) months of entry must have at least two (2) approved workouts within the sixty (60) days.

Gate approvals at a licensed facility must be made by a licensed starter on a commission approved form.

ENTRY SCHEDULE

<u>Entry Day</u>	<u>Race Day</u>
Friday	Friday
Saturday	Saturday
Sunday	Sunday
Tuesday	Tuesday

* - Note: Check Condition Books for Holiday Entry Schedules; Also the Racing Office is normally closed on Wednesdays & Thursdays

PREFERENCE DATE SYSTEM

Winners are preferred in all winners' races.

Total earnings as determined by the information provided by Equibase Company, will be used in determining the order of preference of horses assigned equal weights in stakes.

Preference dates will not supersede the conditions of the race (Derby eligibles preferred, high weights preferred, etc.)

Horses will not be eligible to receive a date until the foal certificate is on file in the Racing Secretary's office, and will receive the date of filing. All papers received before the first day of entries will receive the same entry date.

Entry dates will have preference over a running date of the same date. **Trials are excluded from receiving running dates.**

Any horse which is scratched will keep the entry date for the race day the horse was scratched. (An exception may be made when in the opinion of the Stewards a horse would be unduly penalized).

All horses placed on the Stewards, Veterinarians, Starters, Paddock or Identifiers lists will be posted on the official bulletin board and will not lose their date, but they must meet the necessary requirements for removal from a list.

The Racing Secretary or Board of Stewards reserves the right to withdraw or scratch any horse, which in their opinion, will not qualify for the race in which it has been entered.

Foal certificates removed from the Racing Office by the trainer for any reason will automatically cause the horse to lose its date. Also, a transfer will result in all horses in that file losing their date. When horses that leave return to Sunland Park, they will receive a new entry date which will correspond to the date of re-filing.

Foal certificates sent off for correction, change of ownership, breeders' stamp, etc., by the Racing Office will not constitute removal from the office and the date will not be lost.

Trainers which enter two horses in the same race must prefer the horse that has the best chance of drawing into the race.

In no way does the claiming, change of ownership or change of trainer affect the preference date of the horse involved.

SCREENING RULES:-

- 1. Only two year olds (foals of 2016) that are registered New Mexico Bred or are nominated to a race at Sunland Park will be allowed to occupy stall space.**
- 2. No maiden quarter horses older than four years old. No maiden thoroughbreds older than seven years old.**
- 3. Any horse placed on the poor performance list twice during the meet will be ineligible to start and must be removed from the grounds.**

- 5. Minimum claiming price is \$5,000.**

CLAIMING RULE

A claimed horse shall not race elsewhere, except within the state, or out of state stakes races for a period of thirty (30) days or the end of the meet, what ever occurs first.

If a horse is claimed, it shall not be sold or transferred, wholly or in part, except in a selling or claiming race for a period of thirty (30) days from the date of the claim, nor shall it, unless reclaimed, remain in the same stable under the control or management of its former owner or trainer for a like period.

SPECIAL NOTICES

The Jockey shall be required to report any claim of foul to a designated Outrider (fast official) on the backstretch immediately following the running of a race. The Outrider shall be in constant communication with the Stewards following each race and shall immediately notify the Stewards of any claim of foul by a Jockey. An Owner or Trainer may advise the Clerk of Scales whom will notify the Stewards that a discussion with their Jockey is needed before a decision concerning a claim of foul is made, in which case the Stewards shall take no official action until a reasonable opportunity for such discussion and responsibility to be aware of the means available for timely communication with the Stewards following the race.

Horses that are physically disabled or sick shall be permitted to scratch first. Should horses representing more than eight betting interests in the daily double or exotic wagering races, or horses representing more than eight betting interests in any other overnight race, remain in after horses with physical excuses have been scratched, then owners or trainers may be permitted at scratch time to scratch horses without physical excuses down to such respective minimum numbers for such races. This privilege shall be determined by lot if an excessive number of owners or trainers wish to scratch their horses.

Procedures for Scratching Horses not stabled on the grounds:

Verification in writing from a veterinarian that he/she has treated or attended to the horse will be required before the horse will be scratched. The horse will automatically go on the Track Vet List. To be taken off the Track Vet List the horse must be re-examined by the attending veterinarian with written recommendation to the Track Veterinarian of when the horse will be able to race. The Track Veterinarian may have additional requirements prior to removal from the Vet List. The horse will remain on the list pending completion of these requirements. Failure to comply may result in a penalty by the Stewards.

Please Note Rule 15.2.6.9 Medication Restrictions:

There is no permissible concentration of clenbuterol that is allowed to appear in any official sample.

- Second place will get 24% of the incentive money and the original second place purse.
- Third place will get 13% of the incentive money plus the original third place purse.

Money will be wired on a bi-weekly basis and this schedule may be adjusted if necessary. All undistributed incentive money will be carried over to the next meet, if applicable.

This program will be monitored by the New Mexico Horse Breeders Association and track management to ensure that this is beneficial to the New Mexico Bred Program. Reports on this program will be given at the monthly Commission meetings and any changes to the program must be approved by the Racing Commission.

NEW MEXICO HORSEMEN'S ASSOCIATION "REPRESENTING HORSEMEN RACING ACROSS NEW MEXICO"

The NMHA is an incorporated non-profit organization; the New Mexico Horsemen's Association was formed in 1966 for the purpose of promoting the welfare and health of licensed owners, trainers, and grooms connected with horse racing in New Mexico.

NMHA FUNDING:

The NMHA receives one percent of all purse monies and \$5.00 starter fee, except for monies from nomination fees which are owner generated.

New Mexico is the only state, which has 50% of net retainage going to purse structure, as mandated by state statute. The Association keeps daily records of handle and amounts to be distributed to purses at each track.

Gaming monies are all kept in separate bank accounts for each track, with the Breeders portion wire transferred to them weekly and the balance going back to track purses as needed. Complete records are kept and furnished to the Racing Commission. Money from gaming has increased purses significantly.

ACTIVITIES AND ACCOMPLISHMENTS

The NMHA was successful in getting legislation mandated where 1/2 of one percent wagered on simulcast goes to the Association at the track where it was generated; to be used for medical benefits for owners, trainers, and back-side personnel.

The NMHA medical benefits are one reason the state has not imposed Workmen's compensation on owners and trainers in the state, saving them approximately \$20 million in the past 18 years. (In California, this fee paid by trainers, amounts to approximately 46 percent of the employee's weekly salary.)

The NMHA was instrumental in getting laws exempting owners and trainers from gross receipts tax. Each year the NMHA lobbyist in Santa Fe tracks all legislative bills which could impact racing. The NMHA assisted in getting the gaming bill passed in the 1997 legislative session.

The NMHA, through mediation, has agreed with track managements that they will no longer take 5 percent simulcast expense adjustment fee, but will settle on a flat cash fee for their expenses for out-of-state simulcast wagering, which means less money taken away from purses.

The NMHA has representation at all New Mexico State Racing Commission meetings to address the concerns of horsemen. We act as liaison with track management and work with them regarding any problems affecting horsemen.

FOR THE CONVENIENCE OF HORSEMEN:

Offices are provided at each track during the race meets. Or you can contact our main office year round.
